

## **GUIDELINES FOR COLORISTS**

In order to get a complete insight into your talents, we will need at least five pages of a continuous visual narrative. Also, it would be great if you could display your diversity by including examples of your work on different styles of narrative. We are looking for versatile colorists who can recognize and adapt their style to the specific tone and atmosphere of the story.

### **FORMAT**

You can send your work in your preferred usual format (JPG, PNG, PDF, etc.), whether in CMYK or in RGB. Submitted files should be up to 150 dpi, preferably no smaller than 7" x 10" (17 x 25 cm). File size should not be bigger than 1MB per page. Please include your CV (stating your previous coloring engagements, if applicable) and a cover letter.
